

Welcome back, Movie Mavens! At last we will resume our monthly meetings. This year we are going to try meeting at the movie theatre in the afternoon, for a chosen movie and enjoy watching it together. After, we will have a lively discussion during Happy Hour or a light dinner. Our first movie will be on Friday, October 7th. Please send me suggestions for a movie by September 25th.

If this works out, it will be wonderful. If not, we can see the movie on our own and resume regular meetings once a month, which is also wonderful!

Looking forward to seeing you all and resuming our fun activity,

Suzanne Fleming
